

## FCC Resolution 2015-01

Whereas, the Municipality of Anchorage Land Use Plan would supersede and supplant existing and newly formed neighborhood plans, and

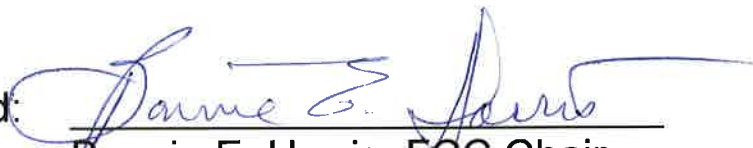

Whereas, the Municipality of Anchorage Land Use Plan is requesting first round comments in the form of a resolution from community councils in October, and

Whereas, the Municipality of Anchorage Land Use Plan public comment is anticipating conclusion by December, fast-tracking potentially deleterious planning over the holidays,

Therefore, we the Federation of Community Councils, resolve to request a postponement of MOA Land Use Plan process comment period and conclusion for sixty (60) days to allow ample time for community council comments.
