Resolution Requesting Extension to November 1, 2016 for Public Review of the Newly Revised Anchorage 2040 Land Use Plan Public Hearing Draft

The Federation of Community Council Delegates from Anchorage's Community Councils hereby resolve and request an extension of time to November 1, 2016 for public review of the new Anchorage 2040 Land Use Plan Public Hearing Draft (LUP). The 2040 LUP Draft is dated September 2016, but was not released for public review until September 26, 2016.

The 2040 LUP contains significant revisions to the prior Anchorage Bowl 2020 Land Use Plan Map that will have a profound impact on Community Council areas throughout Anchorage for the next quarter of a century.

The Community Councils hold their public meetings monthly. Consequently, the limited 22-day comment period that would expire on October 17 does not provide sufficient time for them to review and comment on the new 2040 LUP.

Therefore, in keeping with the public process established in the Anchorage Municipal Charter and Title 21 for the Municipality to provide reasonable time for Community Councils to comment on land use and zoning provisions, the Community Council Delegates request an extension of time to November 1, 2016 for public review of the 2040 LUP.

Approved: Yes - 12, No - 11, Abstain - 0.
