

# Have you always wanted to be on the On-site Water and Wastewater Technical Review Board? Now is your chance

The On-site Water and Wastewater Technical Review Board is looking for new members.

The open positions are: \*

- ◆ A resident in the northerly part of the municipality (north of Northern Lights Boulevard and its extension including Eagle River and beyond) whose home is served by a private well and/or an on-site wastewater disposal system;
- ◆ A resident in the southerly part of the municipality (south of Northern Lights Boulevard and its extension including Girdwood) whose home is served by a private well and/or an on-site wastewater disposal system.

Members are appointed by the mayor and confirmed by the assembly for terms of three years.

If you are interested and would like more information on how you can be a board member please call us:

Becca @ 343-7908 or Tana @ 343-8301
