Proposed Motion for August 13<sup>th</sup> Rabbit Creek Community Council meeting:

Move that the RCCC send a letter to the Anchorage Fire Department, Municipality of Anchorage Assembly, Mayor and Manager:

\* Thanking John See for his 2 years of support of the RCCC community Resiliency and Firewise programs including our Council and Hillside area community awareness, training and preparation programs.

\* The RCCC additionally encourages the MOA to continue to fund and staff the community Firewise program and John's work coordinating Hillside area fire load assessment and critical route identification and fire treatment; increased use of early detection technology development with rapid response capability; continued early spring community awareness programming, community drills, and a focus on the unique challenges of the Hillside that have many isolated residential areas and limited regional routes for evacuation.
