The Board of HALO has passed, with unanimous vote, the attached resolution against combining any or part of the Hillside with Eagle River (District 2).

HALO Reapportionment Resolution
Resolution to Defend the Representation of the Hillside

WHEREAS, the HOME AND LANDOWNERS ORGANIZATION is dedicated to the advancement of issues related to living in the Hillside area of the Municipality of Anchorage. We promote the Anchorage Hillside rural way of life in a community of low density so that the character of the community experience remains; and

WHEREAS, our community is bound by the Hillside District Plan and represented by five Community Councils; and

WHEREAS, our community bond relies on our shared community experience and location. Lot size, drinking water source, nor street maintenance source are not an important factor in our community definition. Our community is linked by lifestyle, shared location, and homestead history; and

WHEREAS, the Hillside has no community connection i.e., schools, churches, parks, shared stores, coffee shops, or community activities with Eagle River; and this connection between Hillside and Eagle River is only similar to any other part of the Municipality; and

WHEREAS, the population of Eagle River far outweighs the population on the Hillside proposed to move and therefore would divide our community and not represent the residents of the Hillside; and

WHEREAS, the Anchorage Assembly must conduct Reapportionment after declaring itself malapportioned November 23, 2021, and has six months to reapportion itself and the Anchorage Assembly's Reapportionment Committee has presented ten maps for review; and

WHEREAS, Reapportionment must consider 1) Districts must be compact, contiguous and a relatively integrated socioeconomic area, 2) The principle of equal protection and "one person, one vote" must be maintained; and

WHEREAS, five of the maps remove portions of the Hillside and joins them with District 2 (Eagle River) which would remove a compact and contiguous district, and does not maintain 'one person one vote'; and

WHEREAS HALO does not support maps that divides our community citing lot size as a division in our community. We do not support bringing all or portions of Hillside into District 2; and

NOW THEREFORE be it resolved that HALO urges the Assembly to support our community identity and allow the Hillside to stay separate from Eagle River in our representation urging the support of maps that keep the Hillside in District 6.

NOW THEREFORE be it resolved that HALO supports maps that keep the Hillside Districts together in one assembly district. Maps presented which keep the lower and upper Hillside together represent our community and forms a compact, contiguous, and socioeconomic integrated district.

Resolved this 3rd day of February 2022 by unanimous vote
