

**NOTICE OF MEETING  
ABOUT  
THE UNDERGROUNDING OF  
UTILITY LINES  
IN THE  
NORTH STAR NEIGHBORHOOD**

Chugach Electric is planning a project for this summer to underground electric lines in the area between Arctic Boulevard and “C” Street. Attached is a map of the affected area.

While we are all interested in getting rid of ugly utility poles, there are issues that each home owner needs to understand about easements and possible costs for connecting to the newly undergrounded lines.

**The meeting is this coming Thursday March 17<sup>th</sup> from 4:30 to 6:30 p.m. at the Community Councils Center at 1057 West Fireweed Lane.** Come talk to the project engineers. Masks will be required but will be available on site.

We hope to see you there!
