## AMATS Fish Creek Trail Connection Project in Anchorage, AK

The Alaska Department of Transportation & Public Facilities and the Municipality of Anchorage are evaluating alternatives to construct a new multi-use trail connecting the Fish Creek Trail and Tony Knowles Coastal Trail.

We encourage you to visit the project website and sign up for the project email list to receive the most up-to-date information. The project team is gathering data, identifying constraints, and evaluating route alternatives. **A public open house will take place on October 11<sup>th</sup> from 6-8 PM at the Spenard Recreation Center** to discuss the project and receive feedback from the public.
