

## 2024 Spenard Capital Improvement Program Priorities

The Spenard Community Council Executive Board introduced the priority ranking process for our 2024 Capital Improvement Program at our March 1, 2023 meeting. Members were asked to fill out a survey via a link shared by email and through social media or by a paper survey available at the April 5, 2023 meeting. We had 20 responses from SCC members (and 4 from outside, not included in our results). Priority projects will be approved and moved into the 2024-2029 Capital Improvement Program. Projects suggested will be added to the 2025 Capital Improvement Program survey distributed by SCC.

**The Spenard Community Council general membership requests the adoption of this list for our 2024 CIP priorities:**
