Chief Schrage

Thank you for your response to our inquiry regarding the shift in the level of emergency services provided through AFD Station 12. We appreciate your offer to speak with us about potential downstream effects on the ALS services provided by Station 9 to the residents of our Rabbit Creek Community Council area.

We would also welcome ongoing communication with AFD regarding Station 9 ALS response times moving forward following this transition.

Please let us know what date and time works best for us to have an initial call. Due to our travel schedules, we will be available the week June 12 - 26.

Sincerely,

Ann Rappoport, Co-Chair
