2 **ANCHORAGE MUNICIPAL CODE CHAPTER 10.80 TO REQUIRE RENEWAL OF**
3 **MARIJUANA ESTABLISHMENT LICENSES EVERY TWO YEARS RATHER**
4 **THAN ANNUALLY.**

5
6 **THE ANCHORAGE ASSEMBLY ORDAINS:**

7
8 **Section 1.** Anchorage Municipal Code section 10.80.036 is hereby amended to
9 read as follows:

10
11 **10.80.036 Municipal application for renewal of license or**
12 **endorsement; failure to timely renew results in potential**
13 **closure; expiration results in termination of license,**
14 **endorsement and special land use permit.**

15
16 A. Marijuana establishment licenses must be renewed every two years.
17 On or before May 1 of each year, the municipal clerk shall send notice
18 that a marijuana establishment with a license in active and operating
19 status, which is requiring renewal, must file a renewal application not
20 later than June 30 of the current year. Renewal applications filed after
21 that date are delinquent and subject the marijuana establishment to
22 potential closure pending approval of the application as described in
23 subsection G. Renewal applications for the next license period will be
24 accepted by the municipal clerk's office only between May 1 and
25 August 31, inclusive.

26 1. For all current licenses effective (as described in section
27 10.80.076D.) prior to July 1, 2023, the Municipal Clerk shall determine
28 what year each such license requires biennial renewal.

29
30 B. A marijuana establishment's renewal application must include:
31 1. Identification of the license sought to be renewed by license
32 number, endorsement, license type, establishment name, and
33 premises address;
34 2. The information required for a state license renewal application
35 under 3 AAC 306.035 and a municipal license under AMC
36 section 10.80.021, except for information regarding the
37 previously approved special land use permit as required by
38 subsection 10.80.021C.;
39 3. Any change from the marijuana establishment's original license
40 application or last renewal application for any change in:
41 a. The name of the marijuana establishment business;
42 b. The licensed premises from the last diagram submitted;

- 1 c. The marijuana establishment's operating plan; and
- 2 d. Any new product a licensed marijuana product
- 3 manufacturing facility wishes to produce;
- 4 4. A report, for each licensee:
- 5 a. Any criminal charge on which that licensee has been
- 6 convicted in the current and previous calendar years;
- 7 b. Any civil violation of AS 04, AS 17.38, or this chapter in
- 8 the current and previous calendar years; and
- 9 c. If a current holder of a marijuana establishment license
- 10 has a change in ownership or transfer of a controlling
- 11 interest, it must submit a change report or an application
- 12 for transfer at the same time as the application for
- 13 renewal is submitted, if such report or application has
- 14 not been submitted before the renewal application; and
- 15 5. A declaration under penalty of unsworn falsification that:
- 16 a. The application is true, correct and complete;
- 17 b. The applicant has read and is familiar with AS 17.38 and
- 18 this chapter; and
- 19 c. The applicant will provide all information the municipal
- 20 clerk requires in support of the renewal application; and
- 21 6. Any other information required by the municipal clerk.
- 22
- 23 C. If the municipal clerk determines that the renewal application is
- 24 complete, the municipal clerk shall give notice of a renewal application
- 25 to:
- 26 1. The applicant; and
- 27 2. Reserved;
- 28 3. The community council in which the licensed premises is
- 29 located;
- 30 4. Reserved.
- 31
- 32 D. If a marijuana establishment has received approval for its original
- 33 license and special land use permit by the assembly, but it is not
- 34 effective before July 1 of the current year because all conditions have
- 35 not been met, a renewal application is not required to be submitted.
- 36
- 37 E. On or before May 1 of each year, the municipal clerk shall notify each
- 38 community council of all the marijuana establishment licenses located
- 39 within its boundaries that are due to expire in August that calendar
- 40 year, and advise councils they may request a public hearing before
- 41 the assembly on any renewal within its boundaries. Requests for a
- 42 hearing made by a community council under this section shall be
- 43 made no later than June 15 of that same year, and shall be submitted
- 44 to the assembly as part of its packet before action is taken on those
- 45 renewals.
- 46
- 47 F. On or before August 15 of each year, the municipal clerk shall deliver
- 48 a notice of expiration to each marijuana establishment which requires
- 49 renewal that has not filed a complete application for renewal of a
- 50 license, along with any applicable affidavit unless the marijuana

1 establishment has notified the municipal clerk that it does not intend
2 to seek a renewal of its license. A marijuana establishment is not
3 excused from filing a license renewal application not later than August
4 31 of each year in which the establishment requires renewal even if
5 the marijuana establishment does not receive the notice of expiration
6 described in this section.
7

8 G. Expiration. All marijuana establishment licenses and endorsements
9 expire at 12:00 midnight on August 31 of each year in which the
10 establishment requires renewal, unless a different date is set in the
11 assembly resolution approving the license or endorsement.

12 1. If a marijuana establishment fails to file a complete license
13 renewal application on or before August 31 of a year in which
14 the establishment requires renewal, the holder of that expired
15 license shall, within ten days of expiration, surrender the
16 license to the municipal clerk. Any holder of an expired license
17 with no renewal application pending that seeks authority to
18 operate must file a complete new application under sections
19 10.80.020 and 10.80.026, along with the required fee.

20 2. If a marijuana establishment files a complete license renewal
21 application between May 1 and on or before August 31:

22 a. Filed on or before June 30. The marijuana establishment
23 may continue operating under the current license
24 notwithstanding the expiration date until the renewed
25 license is approved and effective, or until the assembly
26 denies the application for renewal, only if its renewal
27 application was filed on or before June 30.

28 b. Filed on or after July 1. The marijuana establishment
29 shall not operate after August 31 until the renewed
30 license is approved and effective, if the renewal
31 application was filed on or after July 1. Such an
32 establishment may retain possession of the marijuana or
33 marijuana product that is otherwise compliant with this
34 chapter on its premises, during the period it is prohibited
35 from operations pending a decision on the renewal
36 application and, if approved, compliance with all
37 conditions.

38 c. Notwithstanding subsection 21.03.105C.10.a., the
39 special land use permit for marijuana shall not expire
40 unless the renewal application is denied.
41

42 H. Nothing in this section supersedes any proceeding to suspend or
43 revoke a license.

MUNICIPALITY OF ANCHORAGE

Assembly Memorandum

No. AM 265-2023

Meeting Date: April 7, 2023

1 **From: ASSEMBLY MEMBER PETERSEN AND VICE-CHAIR**
2 **CONSTANT**
3

4 **Subject: AN ORDINANCE OF THE ANCHORAGE MUNICIPAL ASSEMBLY**
5 **AMENDING ANCHORAGE MUNICIPAL CODE CHAPTER 10.80 TO REQUIRE**
6 **RENEWAL OF MARIJUANA ESTABLISHMENT LICENSES EVERY TWO YEARS**
7 **RATHER THAN ANNUALLY.**
8

9 This proposed ordinance will amend Anchorage Municipal Code (AMC) Chapter
10 10.80 to change the license period of municipal marijuana facility licenses from one
11 year to a two-year (biennial) license period.
12

13 Municipal marijuana license renewals were set to be annually renewed, following the
14 State of Alaska processes. The Municipality has seen very few infractions or
15 problems with the marijuana industry over the years since 2016. The need to review
16 applications every year is no longer necessary in regard to monitoring for and
17 addressing compliance issues.
18

19 The associated workload of Municipal Departments to receive, process, review,
20 inspect and issue marijuana licenses and their facilities would be greatly reduced if
21 changed to a biennial renewal. The many departments involved annually review and
22 inspect over 100 marijuana facilities each year.
23

24 At the Community and Economic Development Committee (CEDC) meeting of
25 January 19, 2023, the Committee discussed this proposal and continued to discuss
26 it periodically. Included in the discussions were municipal departments such as Land
27 Use Enforcement, Planning, and members of the public and industry. All involved
28 agreed that the change would be beneficial.
29

30 Information received from Jana Weltzin, in her role as a member of the Governor's
31 Advisory Task Force on Recreational Marijuana, informed the members of the
32 CEDC that the task force had recommended that the State of Alaska move to a
33 biennial license period and understood that it was a likely outcome.
34

35 The Municipal Clerk's Office provided Exhibit A attached to this memorandum,
36 showing the original issuance year of all municipal marijuana licenses. The proposal
37 for transitioning to biennial licensing under this AO is for license renewals to be
38 required based on the original issuance year. Licenses originally issued in an odd
39 number year, would renew every odd year and licenses issued in an even number

1 year, would renew every even year. As the Exhibit A shows, this allows for an
2 almost even split of current licenses and is a reasonable and fair method to initiate
3 the biennial renewal program.
4

5 The Assembly, as the government issuing Municipal Marijuana Licenses, would still
6 retain the ability to address concerns related to the licensed facilities throughout the
7 time between a license's renewal period, under Article VIII of Chapter 10.80,
8 *Enforcement, Civil Penalties*, which includes the ability to suspend or revoke a
9 license with appropriate due process.

10
11 **We request your support for the ordinance.**
