

Ted Stevens Anchorage International Airport

May 2024

ANC Airport Community Outreach Plan

ANC is updating its Community Outreach Plan and would like to hear from you! The Community Outreach Plan was developed by the Airport in response to Anchorage communities' request for more comprehensive, formalized, and accessible outreach. To submit feedback, email: ian.rockmoore@alaska.gov or call 907-266-2464, no later than May 15th, 2024. To read the current Community Outreach Plan head to our website where a downloadable version is available under News and Highlights.

Public Notice

While there are multiple public notices currently posted on the State of Alaska's Online Public Notices website, one of particular significance is the Alaska Cargo and Cold Storage's Final Environmental Assessment and Finding of No Significant Impact Notice. Initially published in 2022 under Lease Agreement ADA-32287, Alaska Cargo and Cold Storage seeks to construct 8 cargo hardstands (aircraft parking spots), a cargo warehouse with refrigeration, and associated support facilities. An Environmental Assessment/FONSI is a crucial step in the planning, design, and construction process for all new developments at ANC, paving the way for construction to commence soon. [ALASKA CARGO AND COLD STORAGE FINAL ENVIRONMENTAL ASSESSMENT AND FONSI/ROD NOTICE - Alaska Online Public Notices \(state.ak.us\)](https://www.state.ak.us/onlinepublicnotices/ada32287/ada32287_fonsi_rod_notice.html)

Congratulations Airfield Maintenance!

Our world-class airfield maintenance team received the prestigious BALCHEN/POST Award for excellence in the performance of airport snow and ice control for a large commercial airport – for a third consecutive year! Notably, no other large hub airport (200,000 or more operations per year) has achieved this feat in the 47-year history of the award.

New Restaurant

Sweet Caribou has officially signed lease ADA-32495, moving into the old Cream ice cream shop next to 49th State Brewing Company. They will be selling salads, sandwiches, and of course, their famous macarons. Welcome to the airport Sweet Caribou!

Honor Flight

At the end of April, ANC had the honor of hosting the Honor Flight, an annual program that brings veterans from Alaska to Washington D.C. to visit various memorials and events. Alaskan veterans departed on April 23rd and returned on April 27th, where a celebration was held in the terminal to welcome them home.

4th Floor Parking Garage

The 4th floor of the South Terminal parking garage will be closed for repairs from April 1st to July 31st. Cars currently parked on the 4th floor will be permitted to remain until midnight on April 14th, after which they will be towed to an offsite parking spot by Republic Parking. Following extensive repairs to the parking garage last year, it has been determined that the fourth floor requires additional repairs this summer.

Construction Update

ANC is expecting another busy summer construction season this year. Some major projects include the taxiway zulu west improvements, water main improvements, gates B4, B6, and B8 rehabilitation, and repairs to Postmark Road. For a list of projects slated for the 2024 summer construction season, please visit: [Airport Construction Updates - Ted Stevens Anchorage International Airport \(alaska.gov\)](https://www.alaska.gov/airports/construction-updates)

Looking for a Career Change?

Join ANC's team of award-winning staff! Positions at ANC under active recruitment efforts are posted online at www.JoinANC.com or through Local 71 at the following web addresses: local71.com/jobs.
