# OCTOBER 13, 2005

Taku-Campbell  
Community Council Meeting

7:30 p.m.

## Taku Elementary School

Discussion items will include late night noise problems, parks, and public safety issues.

### A FEW GOOD CITIZENS NEEDED

Last spring officer elections were postponed with the hope of getting the Council bylaws updated to conform to the city's code. Due to scheduling conflicts the task of revising the by-laws still needs to be completed. We are also in need of individuals willing to take responsibility for Council offices and various committees. Please consider what role you can play in making your community a great place to live and work.

Have a voice in your community. Do you live, work, or own a business in the Taku Campbell area? We would love to meet you and discuss your concerns and help with solutions. We need your opinion.
